MEMORANDUM FOR: Chief, Inspection Branch/OL/PD

SUBJECT : Inspection of 100 Identification Kits under
Contract 216-1013-0, [] Procurement

1. On 12 April 1960 the undersigned visited []
[] for the purpose of in-
specting the subject production.

2. Upon arrival most of the kits were assembled, the inspection took place over the next three days. Several foils were found to be defective, rejected and replaced with ones that meet specifications. All foils were accounted for, totaling over 51,000, and each kit as it was packaged was viewed by this inspector to insure that the kit was complete and all contracted for components were included.

3. It is the opinion of the undersigned that the contractor's performance was satisfactory and that he complied with all contractual requirements.

4. As a result of this production a few small changes have been made in the drawings. Should another production be contemplated, TSD/AB should be contacted to insure that future production is in accordance with these changes.
